Subject: Internship Offer – MERN Developer (Remote Work)

Dear Lavkush Gautam,

We are thrilled to offer you an internship opportunity at Edgevertise Service Private Limited Company as a MERN Developer, where your skills in web development and passion for technology will play a key role in driving our team's success.

Internship Details:

- Role: MERN Developer Intern
- Duration: 4 months
- Location: Remote (Work from Home)
- Reporting to: Imran Husen
- Work Hours: Needed Hours
- Compensation: Stipend
- Start Date: 1 January 2025

As an intern, you will be responsible for assisting in the development of web applications, designing user interfaces, and optimizing websites to provide a seamless user experience. You will gain hands-on experience with modern frontend technologies such as React, Express, Node, Mongo DB, and more.

Terms & Conditions:

- You will be required to submit your work at regular intervals and participate in virtual meetings.
- Please ensure your availability during core work hours as discussed.
- Your performance will be evaluated at the end of the internship, and there may be opportunities for full-time employment depending on your contributions.

We are excited to have you join our team and look forward to working together on exciting projects. Please confirm your acceptance of this offer by replying to this email or contacting us directly.

Best Regard,

Dr. Gyan Singh
Director
